Merci beaucoup pour votre accueil et pour la gentillesse de Maria. Après neuf mois passés en Roumanie et en retour en France dans quelques jours, tous ces moments ne me donnent envie que d'une chose: revenir.

Thank you so much for the warmest possible stay anyone could hope for. Thanks to your delicious and beautifully-prepared breakfasts and generous invitations for other treats, my stomach was very happy. But most importantly, thanks to your sweet warmth and kindness, you made me feel like part of your wonderful family, so my heart was and will be happy every time I remember you, your beautiful vila, and your lovely country.

with Love always
